C. Disclaimer

If accompanied by a Court Order stating that the Court has conditionally approved this Disclosure Statement, then the Court has conditionally approved this Disclosure Statement as containing adequate information to enable parties affected by the Plan to make an informed judgment about its terms. If no order accompanies this Disclosure Statement, then the Court has not conditionally approved this Disclosure Statement. The Court has not yet determined whether the Plan meets the legal requirements for confirmation, and the fact that the Court has approved this Disclosure Statement does not constitute an endorsement of the Plan by the Court, or a recommendation that it be accepted. II. BACKGROUND

A. Description and History of the Debtors and Events Leading to Bankruptcy.

The Debtors, Thuy Lien Hoang and Mark Joseph Hubbard, are spouses. In 2011, the Debtors started an urgent care clinic in Southeast Portland, Oregon. The clinic was owned and operated in a limited liability company called MLC Urgent Care, LLC. The Debtors held two-thirds of the membership interest in the LLC, and the other one-third of the LLC membership interest was owned by Chris Berberian. The Debtors and Mr. Berberian personally guaranteed a majority of the LLC's debts. All three of the LLC's members were licensed physicians, and all three members initially worked at the clinic full time.

In 2013, the clinic experienced cash flow problems, and Chris Berberian withdrew from the LLC and ceased his employment at the clinic. To support the Debtors' household, Debtor Thuy Lien Hoang obtained employment with Providence Medical Group, but continued working at the clinic as much as possible. Debtor Mark Hubbard continued working at the clinic full-time, in an effort to grow the business and its profits. However, in 2013, Mark Hubbard became ill, and was no longer able to continue working at the clinic. The clinic eventually closed, and Mark Hubbard was forced to let his medical license go into "inactive" status, as his medical condition prevented him from maintaining an active license. Without Mark Hubbard's income, and with a substantial amount of business debt they had personally guaranteed, the Debtors are unable to meet their monthly obligations.

B. Insiders of the Debtor.

There are no insiders other than the Debtors themselves.

C. Management of the Debtor Before and During the Bankruptcy.

During the two years prior to the date on which the bankruptcy petition was filed, and at all times since the filing of the petition, the Debtors Mark Hubbard and Thuy Lien Hoang have exclusively managed their business affairs.

After the effective date of the order confirming the Plan, the Debtors shall continue to exclusively manager their business affairs.

D. Significant Events During the Bankruptcy Case.

The following is a list of significant events that have occurred since the petition:

<u>Date</u>	<u>Event</u>
10/29/2014:	Commencement of case under Chapter 11 of the Bankruptcy Code;

3/26/2015:	Plan and Disclosure Statement filed.

E. Projected Recovery of Avoidable Transfers.

The Debtors do not anticipate pursuing any preference, fraudulent conveyance, or other avoidance actions.

F. Claims Objections.

Except to the extent that a claim is already allowed pursuant to a final non-appealable order, the Debtors reserve the right to object to claims. Therefore, even if your claim is allowed for voting purposes, you may not be entitled to a distribution if an objection to your claim is later upheld. The procedures for resolving disputed claims are set forth in Article V of the Plan.

G. Current and Historic Financial Conditions.

The identity and fair market value of the estate's assets are listed in **Exhibit B**. The specified asset values were determined by the Debtors, after examining the book values of the assets, and after briefly surveying comparable property in the nearby area.

The Debtors' recent monthly operating reports for the months of November, December, January and February are attached hereto as **Exhibit C**.

III. SUMMARY OF THE PLAN OF REORGANIZATION AND TREATMENT OF CLAIMS AND EQUITY INTERESTS.

A. What is the Purpose of the Plan of Reorganization?

As required by the Code, the Plan places claims and equity interests in various classes and describes the treatment each class will receive. The Plan also states whether each class of claims or equity interests is impaired or unimpaired. If the Plan is confirmed, your recovery will be limited to the amount provided by the Plan.

B. Unclassified Claims

Certain types of claims are automatically entitled to specific treatment under the Code. They are not considered impaired, and holders of such claims do not vote on the Plan. They may, however, object if, in their view, their treatment under the Plan does not comply with that required by the Code. As such, the Debtors have not placed the following claims in any class:

1. Administrative Expenses

Administrative expenses are costs or expenses of administering the Debtors' Chapter 11 case which are allowed under § 507(a)(2) of the Code. Administrative expenses also include the value of any goods sold to the Debtors in the ordinary course of business and received within 20

days before the date of the bankruptcy petition. The Code requires that all administrative expenses be paid on the effective date of the Plan, unless a particular claimant agrees to a different treatment.

The following chart lists the Debtors' estimated administrative expenses, and their proposed treatment under the Plan:

<u>Type</u>	<u>Estimated Amount Owed</u>	<u>Proposed Treatment</u>
Expenses Arising in the Ordinary Course of Business After the Petition Date	NONE	Paid in full on the effective date of the Plan, or according to terms of obligation if later.
The Value of Goods Received in the Ordinary Course of Business Within 20 Days Before the Petition Date	NONE	Paid in full on the effective date of the Plan, or according to terms of obligation if later.
Professional Fees, as approved by the Court.	\$20,000 (estimated)	Paid in full on the effective date or according to a separate written agreement after such fees have been approved by the Court
Clerk's Office Fees	NONE	Paid in full on the effective date of the Plan
Other administrative expenses	NONE	Paid in full on the effective date of the Plan or according to separate written agreement
Office of the U.S. Trustee Fees	\$650	Paid in full on the effective date of the Plan or when due
TOTAL	\$20,650	

2. Priority Tax Claims

Priority tax claims are unsecured income, employment, and other taxes described by § 507(a)(8) of the Code. Unless the holder of such a § 507(a)(8) priority tax claim agrees otherwise, it must receive the present value of such claim, in regular installments paid over a period not exceeding 5 years from the order of relief.

The following chart lists the Debtors' estimated § 507(a)(8) priority tax claims and their proposed treatment under the Plan:

Description (name and type of tax)	Estimated Amount Owed	Date of Assessment	Treatment
NONE	N/A		N/A

C. Classes of Claims and Equity Interests

The following are the classes set forth in the Plan, and the proposed treatment that they will receive under the Plan.

1. Classes of Secured Claims

Allowed Secured Claims are claims secured by property of the Debtors' bankruptcy estate (or that are subject to setoff) to the extent allowed as secured claims under § 506 of the Code. If the value of the collateral or setoffs securing the creditor's claim is less than the amount of the creditor's allowed claim, the deficiency will be classified as a general unsecured claim.

The following chart lists all classes containing Debtors' secured prepetition claims and their proposed treatment under the Plan:

Class	Description	Impairment	Collateral / Treatment
1A	U.S. Bank, N.A. / Select Portfolio Servicing	Unimpaired	The claim of U.S. Bank, N.A. / Select Portfolio Servicing related to account number ending in 3783 is unimpaired, and shall be paid pursuant to the contract or in advance of the contractual obligation.
1B	U.S. Bank, N.A.	Impaired	The claim of U.S. Bank, N.A., related to account number ending in 4511 is impaired. Any post-petition deficiency will be paid in full on or before the effective date of the Plan and will bear no interest. Ongoing payments shall be paid pursuant to the contract or in advance of the contractual obligation.

2. Classes of Priority Unsecured Claims

Certain priority claims that are referred to in §§ 507(a)(1), (4), (5), (6), and (7) of the Code are required to be placed in classes. The Code requires that each holder of such a claim receive cash on the effective date of the Plan equal to the allowed amount of such claim. However, a class of holders of such claims may vote to accept different treatment.

Other than Priority Tax Claims, described above, the Debtors do not have any Priority Unsecured Claims.

3. Classes of General Unsecured Claims

General unsecured claims are not secured by property of the estate and are not entitled to priority under § 507(a) of the Code. The Plan specifies 2 classes of general unsecured claims.

Class 2 shall consist of all allowed general unsecured claims. The following chart identifies the Plan's proposed treatment of Class 3:

Class #	Description	Impairment	Treatment
2	Discover Section 523 Unsecured Class	Impaired	Class 2 is comprised of \$4,979.92 of the general unsecured claim of Discover Bank NA as allowed under § 502 of the Code. This is the amount of Discover Bank's general unsecured claim that Discover contends is non-dischargeable under § 523(2)(C) of the Code. Class 2 will be paid in full on or before the 180 th day following the effective date of the plan and will bear no interest.
3	General Unsecured Class	Impaired	Class 3 is comprised of all general unsecured claims allowed under § 502 of the Code that are not part of Class 2. The total amount to be paid to Class 3 creditors will be \$105,000. Prorata disbursements will be made annually, on the anniversary date of the effective date of the plan, beginning in 2016. Disbursements shall be made in amounts to be determined by the Reorganized Debtors after reserves for personal living expenses for the ensuing year. The final disbursement to Class 3 claims shall be made no later than the 72 months after the effective date of plan. Class 3 claims bear no interest. The Reorganized Debtors may, at their option, pay the entire amount due to Class 3 creditors at any time post-conformation from exempt funds.

4. Classes of Equity Interest Holders

Equity interest holders are parties who hold an ownership interest (i.e., equity interest) in the Debtor. In a corporation, entities holding preferred or common stock are equity interest holders. In a partnership, equity interest holders include both general and limited partners. In a limited liability company ("LLC"), the equity interest holders are the members. Finally, with respect to an individual who is a debtor, the Debtors are the Interest holders.

The following chart sets forth the Plan's proposed treatment of the class of equity interest holders:

Class #	Description	Impairment	Treatment
4	Interests of the individual Debtors.	Unimpaired	The Class 4 individual Debtors shall retain all of their rights.

The above is intended only as a summary and brief description of the Plan. Many of the operative provisions of the Plan that may affect the treatment of specific claims may have been omitted from this brief description. Therefore, the Plan should be read fully and carefully to determine how a specific claim is to be treated under the Plan.

D. Means of Implementing the Plan

The Reorganized Debtors generate the funds necessary to make the payments under the Plan through Debtor Thuy Lien Hoang's continued employment. Additionally, Debtor Mark Hubbard will seek employment as soon as he is medically able to do so. The details of their projected income and expenses are shown in **Exhibit D**. Other than Mark Hubbard's intention to return to employment when he is medically able to do so, the Debtors not anticipate making any significant changes to their household budget during the life of the Plan.

The Debtors, creditors, and interest holders will take all actions and execute whatever documents are necessary and appropriate to effectuate the terms of the Plan.

E. Risk Factors

This Disclosure Statement contains statements that are based on projected financial estimates, and therefore involve risks and uncertainty. Such risks and uncertainty include, but are not limited to, the risk that the Debtors' income and expense projections are erroneous, and

the risk that Debtor Thuy Lien Hoang's employment income ceases or is reduced. Creditors and equity interest holders should carefully consider these risks when evaluating the Plan.

F. Executory Contracts and Unexpired Leases

The Plan, in Article VI, lists all executory contracts and unexpired leases that the Debtors will assume under the Plan. Assumption means that the Debtors have elected to continue to perform the obligations under such contracts and unexpired leases, and to cure defaults of the type that must be cured under the Code, if any. Article VI also lists how the Debtors will cure and compensate the other party to such contract or lease for any such defaults.

If you object to the assumption of your unexpired lease or executory contract, the proposed cure of any defaults, or the adequacy of assurance of performance, you must file and serve your objection to the Plan within the deadline for objecting to the confirmation of the Plan, unless the Court has set an earlier time.

All executory contracts and unexpired leases that are not listed in Article VI will be rejected under the Plan. Consult your adviser or attorney for more specific information about particular contracts or leases.

If you object to the rejection of your contract or lease, you must file and serve your objection to the Plan within the deadline for objecting to the confirmation of the Plan.

G. Tax Consequences of Plan

Creditors and Interest Holders Concerned with How the Plan May Affect Their Tax Liability Should Consult with Their Own Accountants, Attorneys, and/or Advisors.

The following discussion summarizes in general terms certain federal income tax consequences of the implementation of the Plan based upon existing provisions of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), court decisions, and current administrative rulings and practice. This summary does not address the federal income tax consequences of the Plan to holders of priority or secured claims, nor does it address any state, local or foreign tax matters or the federal income tax consequences to certain types of creditors (including financial institutions, life insurance companies, tax exempt organizations and foreign taxpayers) to which special rules may apply. No rulings or opinions have been or will be requested from the Internal Revenue Service with respect to any of the tax aspects of the Plan.

THIS ANALYSIS DOES NOT ADDRESS THE TAX IMPLICATIONS OF THE PLAN TO ANY SPECIFIC CREDITOR. Substantial differences in the tax implications are likely to be encountered by the creditors because of the difference in the nature of their Claims, their taxpayer status, their method of accounting, and the impact of prior actions they may have taken with respect to their Claims.

The following are the anticipated tax consequences of the Plan:

1. Tax Consequences to the Debtors.

The Debtors do not anticipate any extraordinary or unusual tax consequences. They will experience ordinary income from employment. They will experience ordinary expenses for any business related expenses, and interest expense. Debt reduction will be a capital (non-deductible) expense. The Class 1B and Class 3 claims will be discharged during the bankruptcy proceeding. As a result, there will be no income resulting from the substantial debt forgiveness.

2. General Tax Consequences on Creditors.

Creditors will not experience any unusual or extraordinary tax consequence following Confirmation of the Plan. Payments will be treated in the same manner as they were treated before Confirmation of the Plan. As discussed above, the effect of the Plan on specific creditors will depend on specific financial information relative to such creditor that is unknown to the Debtors. As a result, the tax implications to specific creditors cannot be completely described herein.

THE OPINIONS SET FORTH IN THIS DISCLOSURE STATEMENT ARE STRICTLY THOSE OF THE DEBTORS AND/OR THEIR TAX ADVISORS. THE PLAN MAY HAVE TAX CONSEQUENCES TO CREDITORS. TAXING AUTHORITIES ARE NOT BOUND BY THIS DISCLOSURE STATEMENT OR THE DEBTORS' OPINIONS REGARDING TAX CONSEQUENCES OF THE PLAN.

IV. CONFIRMATION REQUIREMENTS AND PROCEDURES

To be confirmable, the Plan must meet the requirements listed in §§ 1129(a) or (b) of the Code. These include the requirements that: the Plan must be proposed in good faith; at least one impaired class of claims must accept the plan, without counting votes of insiders; the Plan must distribute to each creditor and equity interest holder at least as much as the creditor or equity interest holder would receive in a chapter 7 liquidation case, unless the creditor or equity interest

holder votes to accept the Plan; and the Plan must be feasible. These requirements are not the only requirements listed in § 1129, and they are not the only requirements for confirmation.

A. Who May Vote or Object

Any party in interest may object to the confirmation of the Plan if the party believes that the requirements for confirmation are not met.

Many parties in interest, however, are not entitled to vote to accept or reject the Plan. A party in interest has a right to vote for or against the Plan only if that creditor or equity interest holder has a claim or equity interest that is both (1) allowed or allowed for voting purposes and (2) impaired.

In this case, the Plan Proponent believes that classes 2 are impaired and that holders of claims in each of these classes are therefore entitled to vote to accept or reject the Plan. The Plan Proponent believes that classes 3 are unimpaired and that holders of claims in each of these classes, therefore, do not have the right to vote to accept or reject the Plan.

1. What Is an Allowed Claim or an Allowed Equity Interest?

Only a creditor or equity interest holder with an allowed claim or an allowed equity interest has the right to vote on the Plan. Generally, a claim or equity interest is allowed if either (1) the Debtors have scheduled the claim on the Debtors' schedules, unless the claim has been scheduled as disputed, contingent, or unliquidated, or (2) the creditor has filed a proof of claim or equity interest, unless an objection has been filed to such proof of claim or equity interest. When a claim or equity interest is not allowed, the creditor or equity interest holder holding the claim or equity interest cannot vote unless the Court, after notice and hearing, either overrules the objection or allows the claim or equity interest for voting purposes pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy Procedure.

The deadline for filing a proof of claim in this case is _____, 2015.

a. What is an Impaired Claim or Impaired Equity Interest?

As noted above, the holder of an allowed claim or equity interest has the right to vote only if it is in a class that is impaired under the Plan. As provided in § 1124 of the Code, a class is considered impaired if the Plan alters the legal, equitable, or contractual rights of the members of that class.

////

b. Who is Not Entitled to Vote

The holders of the following types of claims and equity interests are not entitled to vote:

- holders of claims and equity interests that have been disallowed by an order of the Court;
- holders of other claims or equity interests that are not "allowed claims" or "allowed equity interests" (as discussed above), unless they have been "allowed" for voting purposes.
- holders of claims or equity interests in unimpaired classes;
- holders of claims entitled to priority pursuant to §§ 507(a)(2), (a)(3), and (a)(8) of the Code; and
- holders of claims or equity interests in classes that do not receive or retain any value under the Plan;
- administrative expenses.

c. Who Can Vote in More Than One Class

A creditor whose claim has been allowed in part as a secured claim and in part as an unsecured claim, or who otherwise hold claims in multiple classes, is entitled to accept or reject a Plan in each capacity, and should cast one ballot for each claim.

B. Votes Necessary to Confirm the Plan

If impaired classes exist, the Court cannot confirm the Plan unless (1) at least one impaired class of creditors has accepted the Plan without counting the votes of any insiders within that class, and (2) all impaired classes have voted to accept the Plan, unless the Plan is eligible to be confirmed by "cram down" on non-accepting classes, as discussed in Section B.2, below.

1. Votes Necessary for a Class to Accept the Plan

A class of claims accepts the Plan if both of the following occur: (1) the holders of more than one-half (1/2) of the allowed claims in the class, who vote, cast their votes to accept the Plan, and (2) the holders of at least two-thirds (2/3) in dollar amount of the allowed claims in the class, who vote, cast their votes to accept the Plan.

A class of equity interests accepts the Plan if the holders of at least two-thirds (2/3) in amount of the allowed equity interests in the class, who vote, cast their votes to accept the Plan.

a. Treatment of Nonaccepting Classes

Even if one or more impaired classes reject the Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the manner prescribed by § 1129(b) of the Code. A plan that binds nonaccepting classes is commonly referred to as a "cram down" plan. The Code allows the Plan to bind nonaccepting classes of claims or equity interests if it meets all the requirements for consensual confirmation except the voting requirements of § 1129(a)(8) of the Code, does not "discriminate unfairly," and is "fair and equitable" toward each impaired class that has not voted to accept the Plan.

You should consult your own attorney if a "cramdown" confirmation will affect your claim or equity interest, as the variations on this general rule are numerous and complex.

C. Liquidation Analysis

To confirm the Plan, the Court must find that all creditors and equity interest holders who do not accept the Plan will receive at least as much under the Plan as such claim and equity interest holders would receive in a chapter 7 liquidation. The Plan proposes to pay all creditors more than they would receive in a chapter 7 liquidation. The Liquidation Analysis attached hereto as **Exhibit E** illustrates that general unsecured creditors and priority tax claims would receive approximately \$33,254 in a chapter 7 liquidation.

D. Feasibility

The Court must find that Confirmation of the Plan is not likely to be followed by the liquidation or further financial reorganization of the Debtors, or any successor to the Debtors, unless such liquidation or reorganization is proposed in the Plan.

1. Ability to Initially Fund Plan.

The Debtors believe that they will have enough cash on hand on the Effective Date of the Plan to pay all the Claims and expenses that are entitled to be paid on that date. The source of that cash is the debtors' employment income.

2. Ability to Make Future Plan Payments And Operate Without Further Reorganization.

The Debtors must also show that they will have enough cash over the life of the Plan to make the required Plan payments. The Debtors have provided financial information showing current cash amounts and projections of cash flow and earnings. See **Exhibit D**.

You should consult with your accountant or other financial advisor if you have any questions pertaining to the Debtors' projections.

E. Confirmation Requirements for Individual Debtors.

To confirm the Plan the court must find that “the value of the property to be distributed under the plan is not less than the disposable income of the debtor (as defined in §1325(b)(2)) to be received during the five-year period beginning on the date that the first payment is due under the plan, or during the period for which the plan provides payments, whichever is longer.” 11 U.S.C. §1129(a)(15)(B). The Reorganized Debtors project that their disposable income for the 5 year period beginning on the Effective Date will be **\$105,000**. The Plan provides for payment of more than that amount to the unsecured creditors in Class 3. The Plan, therefore, complies with §1129(a)(15)(B).

You Should Consult with Your Accountant or other Financial Advisor If You Have Any Questions Pertaining to These Projections.

V. EFFECT OF CONFIRMATION OF PLAN

A. Discharge of Debtors

On the effective date of the Plan, the Debtors shall be discharged from any debt that arose before confirmation of the Plan, subject to the occurrence of the Effective Date, to the extent specified in § 1141(d)(1)(A) of the Code, except that the Debtors shall not be discharged of any debt (i) imposed by the Plan, (ii) of a kind specified in § 1141(d)(6)(A) if a timely complaint was filed in accordance with Rule 4007(c) of the Federal Rules of Bankruptcy Procedure, or (iii) of a kind specified in § 1141(d)(6)(B). After the Effective Date of the Plan your claims against the Debtors will be limited to the debts described in clauses (i) through (iii) of the preceding sentence.

B. Modification of Plan

The Plan Proponent may modify the Plan at any time before confirmation of the Plan. However, the Court may require a new disclosure statement and/or revoting on the Plan. Upon request of the Debtors, the United States trustee, or the holder of an allowed unsecured claim, the Plan may be modified at any time after confirmation of the Plan but before the completion of payments under the Plan, to (1) increase or reduce the amount of payments under

the Plan on claims of a particular class, (2) extend or reduce the time period for such payments, or (3) alter the amount of distribution to a creditor whose claim is provided for by the Plan to the extent necessary to take account of any payment of the claim made other than under the Plan.

C. Final Decree

Once the estate has been fully administered, as provided in Rule 3022 of the Federal Rules of Bankruptcy Procedure, the Plan Proponent, or such other party as the Court shall designate in the Plan Confirmation Order, shall file a motion with the Court to obtain a final decree to close the case. Alternatively, the Court may enter such a final decree on its own motion.

UST-23, SUMMARY OF DISBURSEMENTS

INSTRUCTIONS: BEFORE COMPLETING THIS PAGE, prepare a UST-23 CONTINUATION SHEET (see next page) for each financial account or other source of the debtor's funds. The disbursement total from each CONTINUATION SHEET will be used to complete this SUMMARY OF DISBURSEMENTS page.

QUARTERLY FEES: Each month the debtor must provide an accurate disbursement total for purposes of calculating its obligation to pay statutory fees to the U.S. Trustee pursuant to 28 U.S.C. § 1930 (a)(6). The disbursement total includes all payments made by the bankruptcy estate during the reporting month, whether made by the debtor or another party for the debtor. It includes checks written and cash payments. It also includes payments made pursuant to a sale or liquidation of the debtor's assets. Typically, the only transactions excluded from the disbursement total are transfers among estate accounts during the same reporting month.

A fee payment is due 30 days after the end of each calendar quarter, or on **April 30, July 31, October 31, and January 31**, respectively. The debtor is reminded that the initial fee billing for each quarter is only an estimate*. Accordingly, when payment is due the debtor is responsible for calculating disbursements for the entire quarter (or portion thereof the debtor is in Chapter 11) and for paying the correct fee. Failure to pay statutory fees to the U.S. Trustee is cause for conversion or dismissal of the case. If you have questions about how to compute the disbursement total, please call the Bankruptcy Analyst assigned to your case at (206) 553-2000. Finally, a copy of the statutory fee schedule is attached to this report.

* By necessity, the fee billings are processed before the due date for the debtor's last monthly financial report for the quarter. Upon receipt of the debtor's report for the third month of the quarter, the U.S. Trustee adjusts the amount billed for that quarter, as appropriate.

UST-23, SUMMARY OF DISBURSEMENTS

INSTRUCTIONS: BEFORE COMPLETING THIS PAGE, prepare a UST-23 CONTINUATION SHEET (see next page) for each financial account or other source of the debtor's funds. The disbursement total from each CONTINUATION SHEET will be used to complete this SUMMARY OF DISBURSEMENTS page.

QUARTERLY FEES: Each month the debtor must provide an accurate disbursement total for purposes of calculating its obligation to pay statutory fees to the U.S. Trustee pursuant to 28 U.S.C. § 1930 (a)(6). The disbursement total includes all payments made by the bankruptcy estate during the reporting month, whether made by the debtor or another party for the debtor. It includes checks written and cash payments. It also includes payments made pursuant to a sale or liquidation of the debtor's assets. Typically, the only transactions excluded from the disbursement total are transfers among estate accounts during the same reporting month.

A fee payment is due 30 days after the end of each calendar quarter, or on **April 30, July 31, October 31, and January 31**, respectively. The debtor is reminded that the initial fee billing for each quarter is only an estimate*. Accordingly, when payment is due the debtor is responsible for calculating disbursements for the entire quarter (or portion thereof the debtor is in Chapter 11) and for paying the correct fee. Failure to pay statutory fees to the U.S. Trustee is cause for conversion or dismissal of the case. If you have questions about how to compute the disbursement total, please call the Bankruptcy Analyst assigned to your case at (206) 553-2000. Finally, a copy of the statutory fee schedule is attached to this report.

* By necessity, the fee billings are processed before the due date for the debtor's last monthly financial report for the quarter. Upon receipt of the debtor's report for the third month of the quarter, the U.S. Trustee adjusts the amount billed for that quarter, as appropriate.

Summary of Disbursements

Total disbursements from all UST-23 Continuation Sheet(s)	25,467.49

Disbursements made by another party on behalf of the debtor (if any)	
Disbursements made pursuant to a sale of the debtor's assets (if any)

Jan 2015**UST-23, SUMMARY OF DISBURSEMENTS**

INSTRUCTIONS: **BEFORE COMPLETING THIS PAGE**, prepare a UST-23 CONTINUATION SHEET (see next page) for each financial account or other source of the debtor's funds. The disbursement total from each CONTINUATION SHEET will be used to complete this SUMMARY OF DISBURSEMENTS page.

QUARTERLY FEES: Each month the debtor must provide an accurate disbursement total for purposes of calculating its obligation to pay statutory fees to the U.S. Trustee pursuant to 28 U.S.C. § 1930 (a)(6). The disbursement total includes all payments made by the bankruptcy estate during the reporting month, whether made by the debtor or another party for the debtor. It includes checks written and cash payments. It also includes payments made pursuant to a sale or liquidation of the debtor's assets. Typically, the only transactions excluded from the disbursement total are transfers among estate accounts during the same reporting month.

A fee payment is due 30 days after the end of each calendar quarter, or on **April 30, July 31, October 31, and January 31**, respectively. The debtor is reminded that the initial fee billing for each quarter is only an *estimate*. Accordingly, when payment is due the debtor is responsible for calculating disbursements for the entire quarter (or portion thereof the debtor is in Chapter 11) and for paying the correct fee. Failure to pay statutory fees to the U.S. Trustee is cause for conversion or dismissal of the case. If you have questions about how to compute the disbursement total, please call the Bankruptcy Analyst assigned to your case at (206) 553-2000. Finally, a copy of the statutory fee schedule is attached to this report.

* By necessity, the fee billings are processed before the due date for the debtor's last monthly financial report for the quarter. Upon receipt of the debtor's report for the third month of the quarter, the U.S. Trustee adjusts the amount billed for that quarter, as appropriate.

UST-23, SUMMARY OF DISBURSEMENTS

INSTRUCTIONS: BEFORE COMPLETING THIS PAGE, prepare a UST-23 CONTINUATION SHEET (see next page) for each financial account or other source of the debtor's funds. The disbursement total from each CONTINUATION SHEET will be used to complete this SUMMARY OF DISBURSEMENTS page.

QUARTERLY FEES: Each month the debtor must provide an accurate disbursement total for purposes of calculating its obligation to pay statutory fees to the U.S. Trustee pursuant to 28 U.S.C. § 1930 (a)(6). The disbursement total includes all payments made by the bankruptcy estate during the reporting month, whether made by the debtor or another party for the debtor. It includes checks written and cash payments. It also includes payments made pursuant to a sale or liquidation of the debtor's assets. Typically, the only transactions excluded from the disbursement total are transfers among estate accounts during the same reporting month.

A fee payment is due 30 days after the end of each calendar quarter, or on **April 30, July 31, October 31, and January 31**, respectively. The debtor is reminded that the initial fee billing for each quarter is only an *estimate**. Accordingly, when payment is due the debtor is responsible for calculating disbursements for the entire quarter (or portion thereof the debtor is in Chapter 11) and for paying the correct fee. Failure to pay statutory fees to the U.S. Trustee is cause for conversion or dismissal of the case. If you have questions about how to compute the disbursement total, please call the Bankruptcy Analyst assigned to your case at (206) 553-2000. Finally, a copy of the statutory fee schedule is attached to this report.

* By necessity, the fee billings are processed before the due date for the debtor's last monthly financial report for the quarter. Upon receipt of the debtor's report for the third month of the quarter, the U.S. Trustee adjusts the amount billed for that quarter, as appropriate.

Summary of Disbursements
